*FLEXIBLE \_ SECONDARY – PLASTIC LABEL*

The supplier site listed above is assigned the status of **Re-Approved.**

This status applies only to the supplier site's manufacture of the packaging material class\_subclass listed above.

This status is effective from **January 4th, 2022 to January 4th, 2026.**

During this period, the supplier site listed above is allowed to supply the packaging material class\_subclass reflected above to PepsiCo facilities. The supplier site may need to complete performance management tasks to continue their status as an approved supplier. If required, you will be notified of the performance management requirements by the PepsiCo business unit and/or regional team. These may include but not be limited to:

1. Successful Third Party GFSI audit and report with corrective actions, with accredited certificates.
2. Performance Management activities (examples: KPIs measurements, scorecards, etc.)

If your facility undergoes any significant changes that would impact the material(s) you supply to PepsiCo (i.e. manufacturing line changes, new equipment, etc.), please email PepsiCo via the provided SPA Box – SPA Europe SUPPLIER CHANGE COMMUNICATION, [SUPPLIERCHANGE.COM@pepsico.com](mailto:SUPPLIERCHANGE.COM@pepsico.com). In the email, please describe the change and provide related documentation that demonstrates risk mitigation activities have been completed.

The current approval status may be changed at any time by PepsiCo.

Sincerely,

*Gavin Le Poidevin*
